

Pennine’s email system consists of several in-house email lists which are available to members for club communications.

Depending upon age, gender etc, it is possible for a member to be on one or several lists. Lists can be created as and when they are needed; for instance, special lists were created for Derbyshire, Greater Manchester and East Cheshire during the covid-pandemic when we had to organise different events in different areas.

Please note that membership of any of these lists is automatic, but not compulsory. Should you wish to be removed from any list, please email email-admin@penninefellrunners.co.uk and request this, but be aware that you will obviously no longer receive communications via that list.

Currently, the lists are:-

- members@penninefellrunners.co.uk all Pennine adult members are in this list;
- women@penninefellrunners.co.uk all adult female members are in this list;
- committee@penninefellrunners.co.uk list for committee members;
- mv40@penninefellrunners.co.uk all male members over the age of 40;
- mv50@penninefellrunners.co.uk all male members over the age of 50;
- mv60@penninefellrunners.co.uk all male members over the age of 60;
- fv40@penninefellrunners.co.uk all female members over the age of 40;
- fv50@penninefellrunners.co.uk all female members over the age of 50;
- v60@penninefellrunners.co.uk all members over the age of 60.

If you are a member of a list, you should receive all messages sent to that list, and you should be able to send messages to any lists where you are a member, but you can only send emails to the list from the email you have given Pennine for club communications purposes.

But there are a few rules which members need to understand and follow when they are sending emails to a Pennine email list.

The purpose and subject of your email must relate to fell running or to a Pennine Fell Runners club event in some way. The value of these email lists lies in communicating information to Pennine members about fell running events and other Pennine events. It is upon this basis that each individual member consents to Pennine using their email addresses. (Please read the [Pennine Personal Data Policy](#).)

Only send an email to a list when all members in that list need to receive it. If you need to send an email to a small part of a list or to a group which isn’t represented in the above set of lists, contact email-admin@penninefellrunners.co.uk and it may be possible to create a temporary ad-hoc list for your purpose.

Please do not “Reply All” or “Reply to List” for members@penninefellrunners.co.uk unless you wish every one of the other 200+ members to receive your reply. Unnecessary emails and replies can be very annoying and can be counter-productive to Pennine’s communication system. Also excessive use of “Reply All” or “Reply to List” can eat into Pennine’s quota which can eventually adversely affect the service.

Specific Email Addresses as listed below exist on Pennine’s system for people who are either officers of the club or who otherwise do work on the club’s behalf. Other similar email addresses can be created as required.

captain@penninefellrunners.co.uk	Club Captain
communications@penninefellrunners.co.uk	Communications Officer
email-admin@penninefellrunners.co.uk	Pennine Email Administrator
fv40captain@penninefellrunners.co.uk	Women’s Vet40 Captain
